Hi Séamus - I concur in approval of the executive conference facilities! that was fun - a good day all around.
My little car looks great - just like new. I'm very happy about that.
I'm running over to the drug store now and drop off my film.
I went to bed shortly after you dropped me off - and slept until almost 5AM (not bad - huh?). I stayed in bed until 5:45 and then got up to take my [very slow] jog. It looks like things will be relatively quiet at work - at least for this week.
